### About this item

- OZONE-FREE FILTRATION:** Safe is top priority! UV-C light purification methods can produce high levels of ozone that can be harmful to children, asthma patients, and pets. This air purifier only uses premium filtration, so you can experience clean, healthy air with Levoit.
- SAY GOODBYE TO POLLUTED AIR:** Have you ever seen what comes out of your vents, from heating and air conditioning? Even inside, you're under attack by so many pollutants! This air purifier uses 3-stage H13 True HEPA Filtration to trap dust, pet dander, pollen, and more. End the suffering, with the finest air purifier in its class.
- BEST-SELLING BRAND:** Brand in the US, LV-H132 has been chosen by 958,256 customers across 9 countries. Levoit cares about your thoughts and never use fake reviews, so you can trust what you see.
- Official Levoit Filters:** Search for B06XD7X81D or LV-H132-RF to find the Levoit Personal True HEPA Replacement Filter. Levoit replacement filters provide the best fit and filtration, while off-brand filters are unreliable and may damage the air purifier.
- ALWAYS HIGH-QUALITY:** Everyone deserves to feel refreshed and safe at home.
- WHISPER-QUIET:** Trying to sleep with rattling or loud humming noises coming from your air purifier. With noise levels as low as 25dB, this air purifier is so quiet, you can run it throughout the night and sleep soundly.
- CLEAN AIR AROUND THE HOUSE:** Quickly refresh the air in rooms as large as 129 ft<sup>2</sup> in 15 minutes. No matter where
