About this item

- **HUMIDIFY DRY AIR IN MINUTES:** The Dual 150's 3-liter (0.79-gallon) tank can run for up to 25 hours, helping you combat congestion, coughing, and dry skin. Unlike other humidifiers that leak and rattle, this is the cool mist humidifier you keep.
- **REFILLING IS A BREEZE:** Tired of flipping over your tank and spilling water? This game-changing top-fill humidifier can last for 3 nights, making it the perfect humidifier for bedrooms, baby, large rooms, plants, nurseries, and offices.
- **CONVENIENT KNOB & NOZZLE:** Simply use one knob to control mist output and turn the 360° nozzle to direct mist in any direction
- **GOOD SLEEP MATTERS:** No more loud humming or gurgling. Enjoy a quiet night's rest while the Dual 150 humidifies your bedroom at a whisper-quiet 28dB level, helping you sleep without a stuffy nose or dry throat.
- **ALWAYS CARE ABOUT YOU:** With BPA-free materials, an auto shutoff feature, and a dishwasher-safe tank, the Dual 150 comes first when buying a humidifier for baby.
- **ADD TO YOUR DECOR:** The Dual 150 easily humidifies a 290 ft² room, and its compact, modern design blends seamlessly into any space.
- **NOTE:** Please clean your humidifier before first use and on a regular basis to avoid possible mold or water particles.
- **NOTE:** Search Asin " B09ZY9N6PD" to find our Dual150 Humidifier Water Filters when you need a replacement.
