About this item

- [About Picture Frame Size] Picture Frame size is measured manually, there will be 0.04-0.12 inches of error.
- [Plexiglass] These frames light but firm, has plastic cover instead of glass, when they fall to the ground you won't worry about hurting the your hand and kids. The Plexiglass has two layers of protective film, the picture will be clearer if the protective film is torn apart.
- [PS Material] This frame is made of PS material(plastic), different from the wooden frames, this PS material frames have overwhelming advantages. It's lighter, free from mildew, more environmentally friendly and high recyclable rate.
- [Freestanding And Wall Mountable] Elegant looking, stylish design, The retro picture fame glass front can be han ging for wall vertical or horizontal also ready to standing immediately portrait or landscape on tabletop for your hom e and office, pack your a series of good time.
- [Suitable For Standard Photograph Size 4x6 Inch] Vintage photo frame is easy to mount and built to last. Perfect for photos from special events and cherished memories.

Product description

★ This rustic style frames suitable for any day worth celebrating, birthday, wedding, Christmas, Thanksgiving, Father's Day, Mother's Day, graduation season, baby shower, etc. Believe me, it is an absolutely decent and practical gift.
