Description

Square Ice Cubes – Our giant square molds make six giant ice cubes, each less than 2 inches. More than a novelty, the large ice cubes melt slowly, making them ideal for your old fashioned, scotch, bourbon or blended whisky. Perfect for cooling down your cocktail glass! Simple Non-Stick Design – Unlike rigid plastic ice cube trays, our flexible ice trays are made of durable silicone. These flexible ice molds can be easily twisted or pushed from the bottom to remove ice cubes for easy release. Guaranteed – We're so confident you'll think we have the best silicone ice molds on the market that we offer a full money-back guarantee on every order.
