

Good Supply Double IPA

The Dank Tank is where our brewers go to play. This time around, we've collab'ed with our brand new buds over at Good Supply (sharks and all) to spark up a new hazy, juicy and well, deliciously good Double IPA with hoppy aromas of pineapple and mango that may ring a little heady bell when you pass, pass, pour.

With this fresh new Good Supply IIPA the Dank Tank gets danker when the supply gets good. All Good, All the Time, from the hombres of headiness and a nod to the north: Good is the New Great.
