- **SAFE & CLEAN** – Our period cup is non-toxic and hypoallergenic. Experience a smart feminine hygiene product that is a more efficient alternative to standard tampons and pads.
- **THE SMART CHOICE** – Instead of single use disposable feminine products. Our eco-friendly menstrual soft cups provide reliable performance and protection for up to 15 years!

**Product Description**

For your body

We believe if you are going to put something in your body it needs exceptional quality. We are proud that you can feel safe knowing our cups are FDA registered, hypoallergenic, BPA and phthalate-free.

For menstrual equity

We believe menstrual hygiene products are necessities, not luxuries, and all people deserve access to affordable, safe menstrual products. Period poverty is real. Period equity should be real, too.

For your world

We believe that a sustainable future is possible. We are focused on modernizing periods by providing reusable and eco-conscious products that reduce our carbon footprint and create a better world.
