

Sweet & Salty

About Us

Sweet & Salty sends you a box of snacks and candies from a different country every month. The products we select are delicious, unique, and often not available in the United States.

How it Works

- 1. **Start:** Get started with a subscription and receive boxes each month until you cancel.
- 2. **Ship:** Your first box will ship by the date listed in the sign-up process. Future boxes will ship by the 15th of each month.
- 3. **Snack:** Receive your box of snacks and go on an unforgettable adventure!

What's in the snack boxes?

It depends on the country! No matter where it is, you'll always find a variety of sweet and salty snacks with unique flavors and spices. Each box typically has between 10-12 items including bonus content like recipes and trivia!
