★★★★★ Very nice quality and easy to work with

Reviewed in the United States on May 4, 2022

Verified Purchase

I have been so impressed by the quality of this crystal adhesive for my projects I have purchased from this seller several times. I am so happy with the brilliance of the stones and how close they are set together - I was hesitant to purchase because I was leery there would be gaps. These sheets are well manufactured and worth their price. I have successfully removed some strips and reapplied them if I didn't get the cut just right!

★☆☆☆☆ Misaligned Rhinestones!

Reviewed in the United States on February 18, 2022

Verified Purchase

This is the second sheet of rhinestones I've purchased from this person that has sections I will never be able to use - the rhinestones are misaligned and in some places totally out of place leaving blank spots throughout the sheet. To the seller: please send me a replacement of the royal blue as well as the red that I've already reviewed and requested a replacement for the same reason. Otherwise, I'll be sending them back for a full refund.
