★★★★★ Powerful long life battery wrench

Reviewed in the United States on February 9, 2022  
Style: 700N.M Impact Wrench | Verified Purchase

I love this impact wrench. It's so powerful with long battery life. I used to waste an hour to change my car tires before. This thing is so time and energy saving. It's not that much heavy. I have been using it for month to fix my car and used as drelling at my garage. I never charged it since I have it. I recomm€nd it for anyone who have to change tire at home. It's just life saving 😊

★★★★★ Great set for starters

Reviewed in the United States on June 22, 2022  
Style: 400N.M Impact Wrench | Verified Purchase

I got this for my husband as a Father's day gift and he love it. He uses this set often to work on his four wheelers. It makes taking the steering apart easy and fast unlike when you do it manually with hands. It comes with all the basic parts with sizes that he needs. The case helps keeping everything neat, convenient and definitely giftable.

This was a Christmas gift for my husband, but of course, he tried it out before I wrapped it. He was happy with it, so I'd say it worked well.

Seems to have good power, tried it on RV lug nuts that my pneumatic wouldn't loosen and it had no problem. Just the ticket to take on trips for multi use.

★★★★★ **Sweet combo drill and driver**

Reviewed in the United States on April 5, 2022

Style: 700N.M Impact Wrench | [Verified Purchase](#)

This is an awesome combo for someone who needs more function out of a single tool. Rather than buying a set, I opted for this combo tool and I am really happy I did. Works well, battery lasts me all day on a project and the included accessories are a nice perk. Almost too powerful, so be careful with your trigger finger.

This is a great drill! It's powerful and strong. It performs easily on all basic tasks and requires minimal effort. I enjoy the features it includes, such as the nice hand-grip it provides when drilling. It has great adapters to switch over and use a drill bit max It's one of the best drills I've ever owned and it certainly gets the job done!
