- Made from high quality stainless steel. They are eco-friendly, BPA free and non-toxin, which can keep your food fresh for a long period.
- The Snap-On lids provide an airtight, leakproof seal to preserve freshness and prevent food from leaking and spilling.
- The exterior is made of non-slip material which will not only prevent the slipping, but also provide a perfect way to isolate the heat from the hot food so your hand won't get burned.

Please note that due to limitations in photography and the inevitable differences in monitor settings, the colors shown in the photography may not correspond 100% to those in the items themselves.
