

Digital image of applicant selling online.

The screenshot shows an Amazon product page for an Eadabok Steel Floor Bike Stand. The product is a black, foldable bike stand with a steel frame. The price is \$49.99, and it is currently in stock. The page includes a product description, technical information, and a section for customer questions and answers.

Product Description

FITS YOUR BIKE A universal tire cradle fits most bike tires. Store 650C700C road and gravel bikes, 26/29 inch mountain bikes, and 20/24 inch kids bikes like a pro. This storage stand is perfect for the garage, the house, or on the trailside.

SECURES YOUR BIKE Stabilize your bike with either the front or rear tire. This spring-loaded, roll-on system means no more looking for a wall to hold your bike up or trusting your rickety old kickstand. Tire-only contact means your bike stays scuff and scratch-free for years to come.

PERFECT INSIDE AND OUT This foldable bike stand is the epitome of small but mighty. A 13x14-inch base means you can store your bike in your house, apartment, garage, or shop. Bring your bike in out of the weather without mounting anything on your walls.

TAKE ON THE GO When you're ready, simply fold your storage stand up and take it on the road. Never trust your bike to a wall or tree ever again.

NO SETUP REQUIRED Experience better storage right out of the box. The Eadabok bike storage stand comes completely assembled and ready to keep your bike upright.
