## Company Profile

### ● COMPANY PROFILE

TPPS started its business from a small workshop in 2002. Our area of expertise covers office machines and consumables, including binding & laminating, paper shredder, cutter and trimmer, etc. Our main customer profile includes such industries like stationery and office products, graphics and print finishing, hobby and craft.

We are proud to serve customers in more than 60 countries worldwide, including many global leading brands.

Whatever your budget and distribution channel are, the multitude of our product line will meet all your needs.

We take advantage of our volumes to secure competitive prices. We invest heavily in R & D to develop new designs, unique & patented technology, and feature-rich products.

At TPPS , product quality is our foremost priority. We have a dedicated quality team on the road every day to check your production.

We also visit our overseas customers on a regular basis as we cherish maintaining a close relationship with all of our customers.

Thanks for browsing through our web shop. The product list will be expanding every quarter. Kindly drop us your request. Our team will respond shortly. We wish to meet you in the near future!

### ● PACKAGING & SHIPPING

### FAQ

**Q: What's your MOQ?**

A: We expect a minimum order value of US\$10,000 and you can order mixed items. If you require your private color box design, we'll ask for higher MOQ depending on the specific item.

**Q: What's your delivery time?**

A: We can complete production within 35 – 60 days depending on the specific item and your packaging requirement.

**Q: Where do you ship the goods?**

A: We mainly ship from Shanghai or Ningbo.

**Q: Do you have your own color box design for export?**

A: Yes, we have our own color box design for certain products. Please check further with our sales.

**Q: Do you offer exclusive distributorship?**

A: Our business relationship comes in 3 levels: Open(non-exclusive, non-binding), Priority, Exclusive and non-competitive. Such relationship is a bilateral commitment with reciprocal rights and duties.

**Q: What talents do you have access to in terms of new product development?**

A: Our role is about new product planner, project controller and master investor. We outsource industrial design with top design agency in Shanghai. We work closely with our manufacturing partner's mechanical engineers, E & E engineers and software programmers.

**Q: Do you have the ability to develop SMART office machines?**

A: Yes. One example is about a consumer PLA 3D printer we have developed exclusively for a European customer. It is WiFi enabled and can be operated from a mobile APP. Please contact our sales for

further information.

**Q: How long does it take for you to develop a new product?**

A: 4 to 10 months depending on the specific project.

**Q: What's your warranty for office machines?**

A: We offer a warranty of 12 months after customers receive the goods in their warehouse.

**Q: Do you provide free spare parts?**

A: Yes, when customers order our machines in volumes, we provide some free spare parts with shipment.

**Q: Does your factory pass 3rd party audit?**

A: Yes. Our customers have appointed 3rd party to conduct regular audit at our factory.
