Description

Reviews (0)

- A portable automatic screwdriver for fast screwing of household DIY fixtures or fittings, and quick furniture assembly.
- Just toggle the large trigger up to tighten screws in, and down to loosen screws out.
- Compact shell with a comfortable non-slip grip houses a single-speed of 180rpm with 2Nm of torque.

Please note that due to limitations in photography and the inevitable differences in monitor settings, the colors shown in the photography may not correspond 100% to those in the items themselves.
