# Infants' Pain & Fever

**Pain Reliever - Fever Reducer**  
Acetaminophen 160 mg per 5 mL\* Oral Suspension

The first clean medicine company

Genexa Infants' Pain & Fever and Genexa Children's Pain & Fever products have the same strength of acetaminophen: 160 mg (in each 5 mL). Infants' Pain & Fever temporarily reduces fever and relieves minor aches and pains due to toothache, the common cold, flu, headache, and sore throat.
