Brand:GP CRAFT

Disposable Face Mask: The 3-ply mask features soft non-woven, absorbent fabric in the inner side for comfort. The outer layer is made of non-woven, fluid-resistant fabric & the middle layer has melt-blown fabric filter for better filtration of air

3-Ply Breathable Protection: Stretchable, soft elastic ear loops and adjustable nose piece allow the mask to fit easily and comfortably on the face. Face masks offer very low resistance to breathing due to pleats and non-woven fabric

Hypoallergenic Face Mask: Disposable masks are recommended to be worn for a maximum duration of 8 hours at a time. Use fingers to gently lift each loop on the right and left side of the facemasks to open the loops and put on the mask around the ears.

Full Face Mask: Lightweight face masks are non-irritating to the skin since they are made from breathable, soft and comfortable fabric and are perfect for general outdoor, indoor, schools, offices, home and travel use
