DIDA BEAUTY False eyelashes, Volume & Curl, Lash Extensions Look, Signature Wispy Effect, Cruelty Free, Reusable, Contact Lens Friendly, 5-Pair

- The subtly flared outer add a very natural-looking curl and definition, and they are suitable for every eye shape.
- If you're after a more subtle, natural, 'your lashes but better' vibe, the short natural lashes are perfect for you.
- These falsies look extremely natural because of the unique design; each of the individual synthetic fibers tapers off at the end, mimicking your natural lashes.

- Transparent bands will look more natural, and are flexible to be easier to apply and remove lashes, giving you more comfortable wear.
- They also both look and feel extremely featherweight, and won't weigh down your lashes or feel uncomfortable.
- Customer satisfaction is our supreme pursuit. If you have any problem or dissatisfaction with lashes, please contact us and we will give you exchange or refund promptly.
