Features:

- Made of high quality calfskin leather, it is durable and sturdy.
- The bottom material of the frosted lining makes this strap soft and comfortable, closer to the skin and provides ideal comfort.
- Unlike artificial leather, even it absorbed sweat and wore for years, it will age and develop a beautiful patina over time.
- Exquisite craftsmanship, ergonomic design, soft and comfortable to wear.

It looks amazing, same colour as the photos, just like described. Out of the box, the watch was immediately malleable and soft, forming perfectly to my wrist. It is genuinely a good strap.
