Product Description

Cufflinks are a great way to add a personal touch to a suit or dress shirt. They can also be a way to support your favorite teams, display your unique sense of style, or simply complete a look.

How to wear:

1st step :Pull on your French cuff shirt: start by pulling on the shirt and allowing the cuff flaps on each arm to spread over your hands.

2nd step: Fold the cuff flaps back : Now fold back the cuffs on each side, making sure each cuff's buttonholes align

3rd step: Fasten the cuffs: Pass the cuff links through the holes on each side of the cuff and twist them so they cannot pass back through the buttonholes
