- The massage gun can effectively relieve muscle aches and pains after exercise and sedentary, promote blood circulation, enhance body vitality, and let you enjoy the wonderful experience of deep percussion massage.
- The high-frequency percussion massager can be adjusted, from warm-up to deep tissue massage, to meet your different massage needs.
- 30-55 dB, not easy to make noise. High-capacity battery, no special charger, a charge can be used multiple times.

Please note that due to limitations in photography and the inevitable differences in monitor settings, the colors shown in the photography may not correspond 100% to those in the items themselves.
