Two bags for everyone: Measuring 10.6"X6.9"X3.2" and weighing 2.57 ounces each, it's light and light but has a lot of capacity. Packing all your toiletries and makeup essentials is enough for long or short trips. Inside pockets help you organize your makeup and make it easier to find what you're looking for.

Stylish Design: This cosmetic bag is simple but beautifully designed. A simple, classic style paired with sophisticated accessories makes this cosmetic bag timeless. Bright colors always cheer up the mood and sweeten your summer like candy. The irregular pattern design makes this bag more fashionable. Without a doubt, it will be the best choice for your stylish outfit when you go out.

PREMIUM QUALITY: The cosmetic bag is made of high quality PU leather, which is waterproof, lightweight, soft and odor free. It keeps the contents from getting wet, and you won't have to worry about messy leaks when you travel. Also, stains can be easily wiped off with a damp cloth. Perfect workmanship details and smooth stainless steel zipper make this bag a smart choice for you.

MULTIFUNCTIONAL: It is not just a cosmetic bag, it can also be used as a cosmetic bag, travel bag, toiletry bag, and even a pencil case, which can be used to store other daily essentials such as pencils, electronic accessories or phones. It's definitely a must have in your daily life
