Description

Product Introduction:

Maintain your natural hair texture with our volumizing hair diffuser that delivers incredible results. An upgrade design large hair diffuser for natural curly hair and bouncy wave hair. This hair dryer attachment is diffusing the harsh heat from the dryer and disperse air with gentle evenness. Protect the hair from damage of concentrated heat, blow away the frizz, and slash your time for styling.

Real universal. Suitable for hair dryers with nozzle diameter: 1.7 inches - 2.6 inches. Can adapt to over 90% different designs of hair blower in the market.

Made from high quality PC material. Good resistance to water and fire. Environment friendly. Odourlessness. Works good for any hair types like natural curly hair and straight hair.

【Ideal Gift】 This hair diffuser coming would be a great gift for women and teens alike. You can give the hair diffuser attachment to your mother, daughter, girlfriend as a holiday or birthday gift. We are committed to make premium universal diffuser for hair dryer.

Do whatever you want and create a better new life
