★★★★★ Nice size and good for holding craft supplies

Reviewed in the United States on November 22, 2021

Verified Purchase

These jars are a nice size and hold my craft supplies so I can see what's inside even through the lid. The lid is easy to open and close too. I haven't accidentally put them through any durability tests but they seem pretty sturdy and I think they'll last a long time. I like the taller narrower dimensions for this product as it happens to make the best use of a deeper drawer where otherwise I found half the space wasted.

★★★★★ Easy to clean and very durable.

Reviewed in the United States on April 6, 2021

I bought these containers to put my grand children's Easter treats in. I was really satisfied with the ease of cleaning and it's durability. I can think of a lot of things to store in these containers. I will definitely order more. Price is a good value.

★☆☆☆☆ **Lid arrived broken**

Reviewed in the United States on July 25, 2022

Verified Purchase

The size is exactly what I was looking for, but the quality is terrible. One of the lids arrived broken with a big crack so one of the jars is unusable. I can't return bc I need the other jars right away. I have disposable

containers that are more durable than this. Way overpriced. These belong in the dollar store. Do not recommend.

☆☆☆☆ Quality not good

Reviewed in the United States on July 27, 2022

Verified Purchase

So much for being completely clear: These had whitish marks or smudges of some sort in some places that would not come off. The quality is less and the plastic very thin. Returning them.
