【Eye Caring Light】 Enjoy a uniform flicker-free light beam that won't fatigue your eyes even after long hours of use, ideal for home office bedroom nightstand reading.

【Customizable Illumination】 With memory function, this dimmable desk lamp will restore the previous lighting settings.

【Flexible Gooseneck Desk Lamp】 Easily adjust the lamp's gooseneck to orient the light beam exactly where it is necessary. A heavy base adds stability for the desk light.

【USB POWERED】 : The clamp lamp comes with a 3.6ft convenient USB charging cord, able to plug into any available USB port, no more worry about the distance between the clip lamp and socket. You can clip lamp to a desk, the headboard, etc.

【Sleek and Elegant Build】 Enjoy a universally beautiful construction that will easily fit in any environment, whether it is at work, in your personal study, or even on the bedside table.

【Energy-Efficient LED Technology】 the led desk lamp achieves the same level of illumination while saving up to 75 percent of energy compared to the traditional incandescent light bulbs.
