

An industrial-strength clean.
For every industry.

clean

A BETTER CLEAN, ALL AROUND.

A sparkling clean facility is better for everyone. But are all those caustic ingredients in your industrial-strength cleaning solutions totally necessary? At Cleanslate, we formulate

safer for everyone – without sacrificing on cleaning powerful efficacy. **Everything you need. Nothing you don't.**

Products for every nook and cranny of your facility.

HOUS

POWERFUL. PERSONAL.

Why Cleanslate? We'd like to think we've got the best of both worlds: a robust chemical program with powerful formulas for every industry, and a team of incredibly dedicated "call-anytime, ask-anything" customer service people. After all, we answer to our customers – not shareholders.

24/7 Customer Service

EXPERTS WITH EXPERIENCE.

Get in-service training, regular maintenance visits, and full service support. Our technicians, installers, and Cleanslate specialists have hands-on experience in your industry.

State-of-the-Art Systems

DOSE-SMART DISPENSING.

Our precise dispensary equipment is designed for guess-free dose accuracy, reducing overuse and increasing efficiency and safety. Free staff trainings ensure success from the get-go.

WE KEEP YOUR CONSCIENCE CLEAN, TOO.
