Megilla

SKU: KS-MEG

Megilla is a full-flavored, full-bodied, boutique Nicaraguan gem. If you're a fan of uber-boutique, lower-production craft sticks, this blend is your new favorite. It brings an absolutely gorgeous, oily Habano wrapper that's practically oozing with oils. Dark brown with a dark reddish hue, it's utterly redolent. This wrapper is paired with a Nicaraguan binder and choice blend of Nicaraguan Ligerio long-fillers. Loaded with spice plus notes of toast, sweetness, and a BBQ-like aroma. Mouthfeel is textured and gritty (in a good way), and the flavors and complexity builds as it burns. Savory and leathery, it's the perfect balance of spice and sweetness.
