

The Ramp is a global ministry with a passion and mission to awaken a generation, equip them for their purpose, and send them out to change their world.

For the past 20 years, we've led thousands of people into life changing encounters with God. We've seen them set free from sin, addiction, depression, suicide and bondage. Through our conferences, school of ministry, travel events, social media, broadcast program and multiple church locations, The Ramp engages thousands of people each month with the transforming power of the gospel.

The Ramp was founded by Karen Wheaton and is headquartered in Hamilton, Alabama. We believe awakening begins with an encounter.
