## What we're hearing from our patient community

 "Amazing customer service, fast responses, and so helpful finding a prescription my insurance covered!"

————— TRISHA T.

 "Twentyeight Health has the best, and most responsive customer service I have ever experienced. They make health care and birth control access so easy and accessible!"

————— DESTINY M.

 "At such a young age, it's so important to get your health care. You're one step closer to becoming a healthy adult."

## Meet your care team of trusted doctors.

We partner with US-licensed doctors who use their extensive experience in women's health to give you the best care in a judgement-free environment.

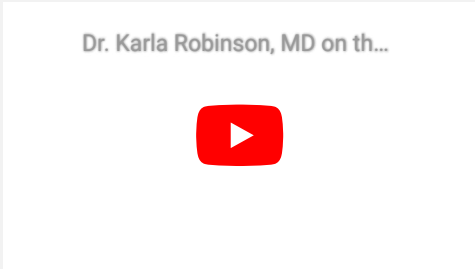

### DR. KARLA ROBINSON, MD

Dr. Karla L. Robinson is a licensed, board-certified physician trained in Family Medicine with over 15 years of clinical experience. A native of Chicago, Illinois, Dr. Robinson completed her undergraduate studies at Xavier University of Louisiana. She went on to earn her medical degree from Rush Medical College and completed her residency training at Advocate Illinois Masonic Medical Center in Chicago. Dr. Robinson is passionate about women's health and improving access to care for the medically underserved. She loves serving the patients of Twentyeight Health and having the opportunity to encourage you to become an active participant in your healthcare.

Learn more about how Twentyeight Health works directly from the doctor.

# We're your women's healthcare team, online.

We're here to provide medically-accurate, accessible, convenient healthcare. Whoever you are, whatever your story -- your health is important to us.

All gender identities, sexualities and pronouns are celebrated at Twentyeight. Our expertise is providing high-quality, respectful and culturally-competent care, education and support for individuals assigned female at birth.

For anyone assigned male at birth, thank you for visiting us. Our customer support team can direct you to resources to find healthcare providers offering appropriate care for your needs.

Want to know if Twentyeight is for you? Email us at [contact@twentyeighthhealth.com](mailto:contact@twentyeighthhealth.com).

## Giving back.

With every delivery you receive, you're supporting a movement to make women's healthcare more accessible and equitable for all.

We donate 2% of our revenues to nonprofits, the National Institute for Reproductive Health (NIRH) and Bedsider (by Power to Decide), that work to improve access to reproductive and sexual health care.

We want to do our part to help those who need affordable, supportive, judgement-free care most.
