

Birth control, your way.

We offer 100+ birth control brands of the pill, patch, ring, shot, the morning after pill, and internal condoms.

We partner with a dedicated team of doctors you can connect with to find the best birth control option for your needs and your body.

GET STARTED

Explore these available options with an annual \$20 fee for an online doctor's evaluation and ongoing messaging anytime.

How it Works

01

SIMPLE ONLINE DOCTOR EVALUATION

Get prescribed - take an online questionnaire, schedule a free call, or message the doctor directly.

02

FAST, FREE & DISCREET DELIVERY

Shipped in 3-5 business days in a discreet envelope.

03

ONGOING DOCTOR CARE

Have access to free, 100% confidential messaging with a doctor whenever you need it.

GET STARTED

“Choosing the right birth control can be overwhelming.

But our job is to make taking your health into your own hands as easy as possible.

We understand women's health and tailor each experience specifically for you—and that's what makes the difference.”

DR. KARLA ROBINSON, MD

What we're hearing from our patient

English

"Amazing customer service, fast responses, and so helpful finding a prescription my insurance covered!"

TRISHA T.

"Twentyeight Health has the best, and most responsive customer service I have ever experienced. They make health care and birth control access so easy and accessible!"

DESTINY M.

"At such a young age, I've had to go through so much. You are the only one who has been able to help me."
