WHAT CAN I EXPECT DURING AN AUDIO CONSULTATION WITH A TWENTYEIGHT HEALTH DOCTOR?

You are always welcome to speak with one of our licensed, board-certified doctors. During an audio consultation, the doctor may ask you follow-up questions based on your medical questionnaire. You can also ask questions of the doctor. If the doctor determines you are eligible, they will prescribe the appropriate birth control method for you.

The audio consultation is free of extra charge and we strongly encourage you to use all available methods of communication!
