

BUNDLED PRODUCTS

Most Customizable Bundle Package on the Market

CalTex has unlimited options for our partners when it comes to F&I bundles. We have pre-built bundles that are ready or we can create custom bundles to fit your exact needs.

Our Products, Your Programs

As administrators, we work with you to create a complete, personalized package. Our bundled program options can include any of the following:

- > Exterior Appearance Protection
- > Interior Appearance Protection
- > Windshield Protection
- > Paintless Dent Repair
- > Tire & Wheel
- > Key Replacement
- > Rust Protection
- > Undercoating & Sound Deadener Protection
- > Disinfectants
- > Theft Protection

Our Bundled Products

The CalTex Advantage

Discover the benefits available when you bundle our products and programs:

- > Professional reapplication of ResistAll Plus products should warranted damage to interior or exterior surfaces occur
- > Higher trade-in value for vehicles
- > Lease Program bundles can be created for you
- > Tears and punctures will be repaired or replaced before ResistAll Plus products are reapplied
- > Create your custom combination of products
- > RV and Motorcycle protection

The ResistAll Dynamic bundle will provide your customer YOUR choice of the above products and warranties applied to their vehicle.
