Hi Will,

Thank you to you for joining me today, I enjoyed the walkthrough and the interaction.
As I said in the meeting, we are here to help so please reach out when you need us.

Please find the links you need below that are required to get you up and running with TubeWorks v10.4, feel free to install it, experiment and see the benefits it will bring you.
The trial can be installed on <u>multiple</u> machines, so please forward this email to other colleagues that would like to trial TubeWorks.

During the trial period should you wish to ask any questions or raise any support issues, please email 'Technical Support' directly at this email address tubeworks@tube-equipment.com .

<u>System Requirements:</u>
SolidWorks 2016 or later
Microsoft Office 2007 or Later
