RAYZ Dream Machine®

\$35.95

A good night's sleep is the most important experience for brain health and brain rejuvenation. If you have trouble winding down from noisy thoughts or just want ease in creating that twilight space before knocking off to dream world, Dream Machine can help. It is shown that a good sleep improves math skills and brain plasticity (flexibility and memory capacity) in students primary age to university level. The herbs in Dream Machine create an effect of helping the brain relax and increase sleep time. It's like a defragger for the mind.*
