### Product Description

**VERTICAL STEAM TECHNOLOGY**  
For hanging clothes, Curtains, Tapestries, etc.

Non Stick

1200 Watt

Vertical Steam

### Temperature Control Function

The steam iron lets you regulate the heating temperature by turning this knob as per your preference. Either position the knob towards minimum, maximum or the middle, depending on the type of fabric. The temperature controlling function ensures better and clean results without damaging your favorite clothes.

### 360 Degree Swivel Cord

It is a convenient feature, provides great flexibility while handling the iron so that you can have a comfortable ironing experience from different angles.

### Cord Management with a Handy Plug

The 2-meter power cord is simple to wrap with a plug at the end. Neatly fold the cord and store the compact steam iron in any storage space of your choice. Whenever you need to use the iron, unfold the cord, plug it in and then switch it on.

## NON-STICK SOLEPLATE

HELPS SMOOTH AWAY TOUGH WRINKLES AND GLIDES EFFORTLESSLY.

**HORIZONTAL IRONING**

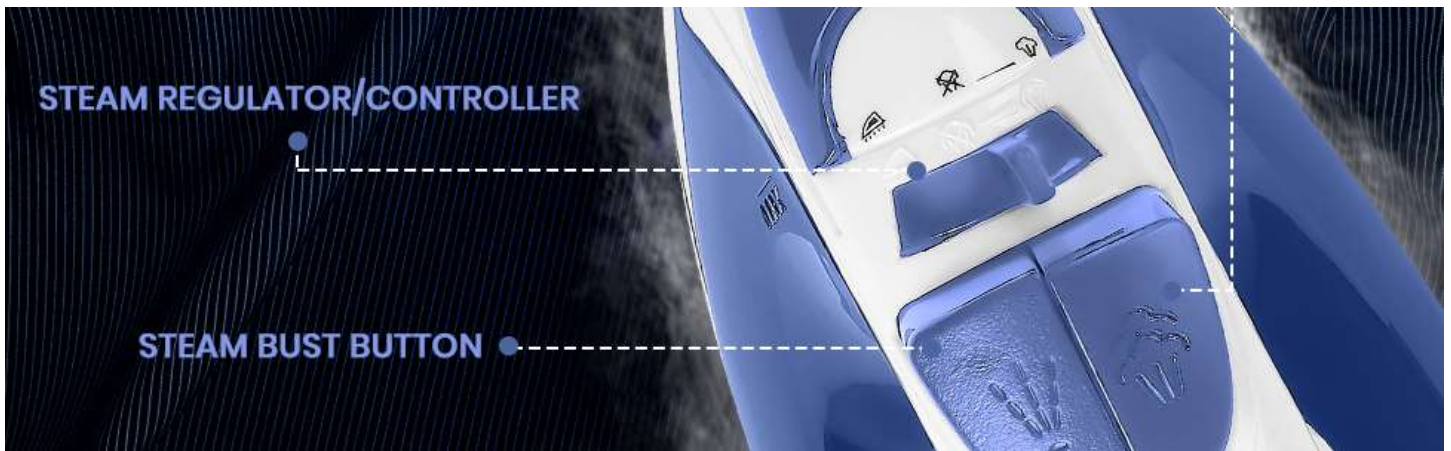

**VERTICAL IRONING**

### Steam and Dry Ironing

Steam ironing is necessary at times to remove deep and stubborn creases. Use the shot of steam feature when needed by pressing the button for a burst of steam and then press it over the wrinkled area. The vertical shot of steam feature gives adaptability in sprucing up hanging articles of clothing, upholstery, and drapery while saving an ample amount of time required for setting up the ironing board.

The variable steam control allows you to set the steam output on the required level for an effective iron. You can always opt for dry ironing by making the selection depending upon the fabric type.

**Decent looking and simply useful! Lightweight!**

Reviewed in the United States on August 31, 2022

Size: Pack of 1 Color: Blue **Verified Purchase**

This is a very decent looking and simple iron which is what I was looking for with steam and multiple settings. Goes on quickly And easily ironed My cotton shirt, dresses and shirts. This is your regular every day iron. It is a compact size comparatively, but I would not take this in my suitcase for a short trip, but I didn't buy it for that purpose. I usually don't iron anything these days but with this new iron I will.

Lighter & smaller than expected but I like it now that I have it for a month. Initially had trouble figuring out different settings because no directions & markings are not clear to see. I am pleased with performance & would recommend.

Hay detalles que me disgustan un poco por ejemplo el vaso está como sucio y usado, aparte como manipulan el producto lo echaron todo así como rápido. Y se supone que estoy comprando productos nuevos no usados y tampoco se entregó en mi dirección correcta tube que ir yo a buscar mi producto a otra puerta fatal, pero en fin la plancha se ve buena y está fácil de manejar espero no tener problema con eso que es lo que más me interesa.

**Good buy for the price**

Reviewed in the United States on July 28, 2022

Size: Pack of 1 Color: Blue **Verified Purchase**

This iron heats up quickly, has a good steam function, is lightweight and gets into corners & small spaces well. The negatives are- I feel the knob with the temp settings is a little confusing, partly because it's in an awkward spot to read. Also I wouldn't recommend this for traveling, there's nothing that folds to make it less bulky, there are smaller & more lightweight available for travel, but so far this iron has worked well for my typical needs.
