

# We're watching out for you 🕵️

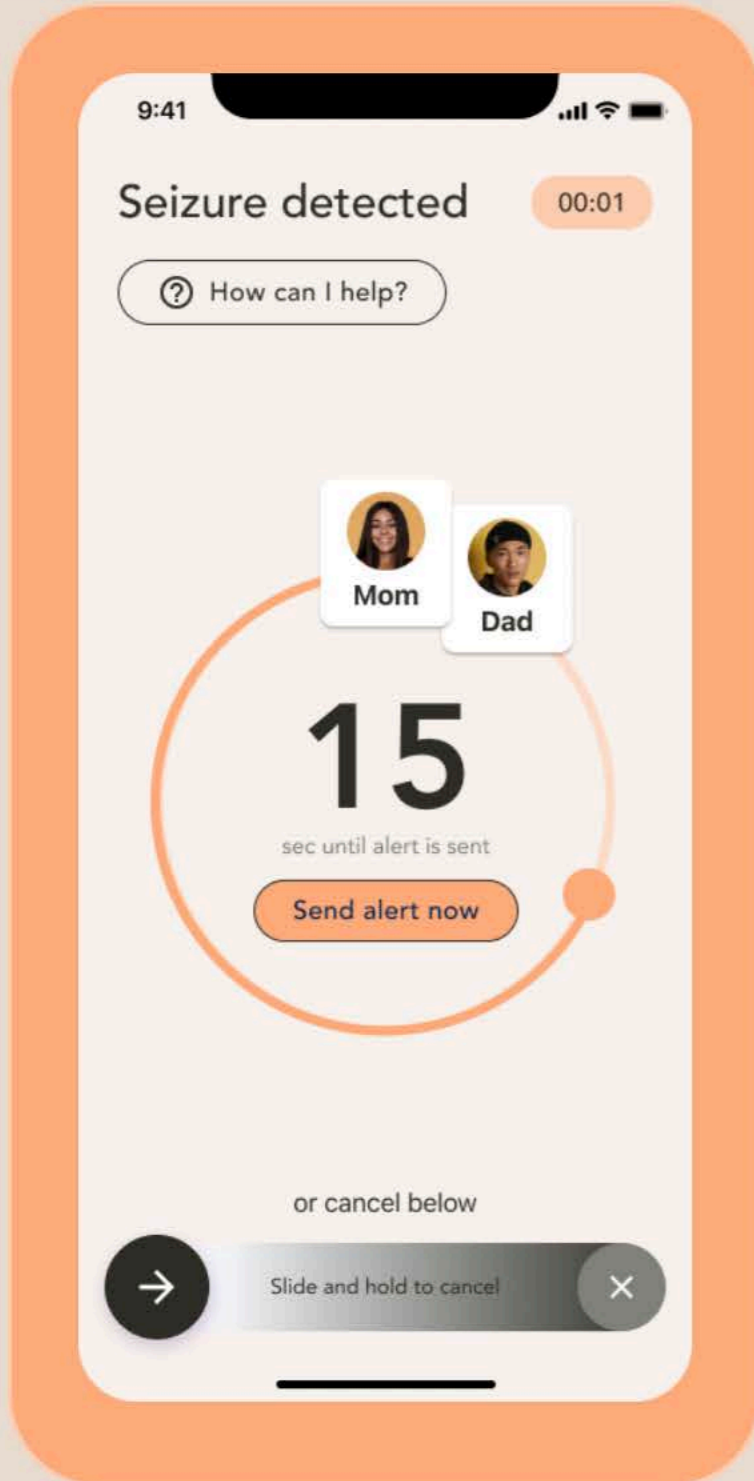

Mellow always has an eye on you, so you can focus on other things 🔍

- ✓ Regain your independence
- ✓ Live without fear
- ✓ Understand your triggers

Sign me up

# Relax, knowing we'll alert your contacts 🚨

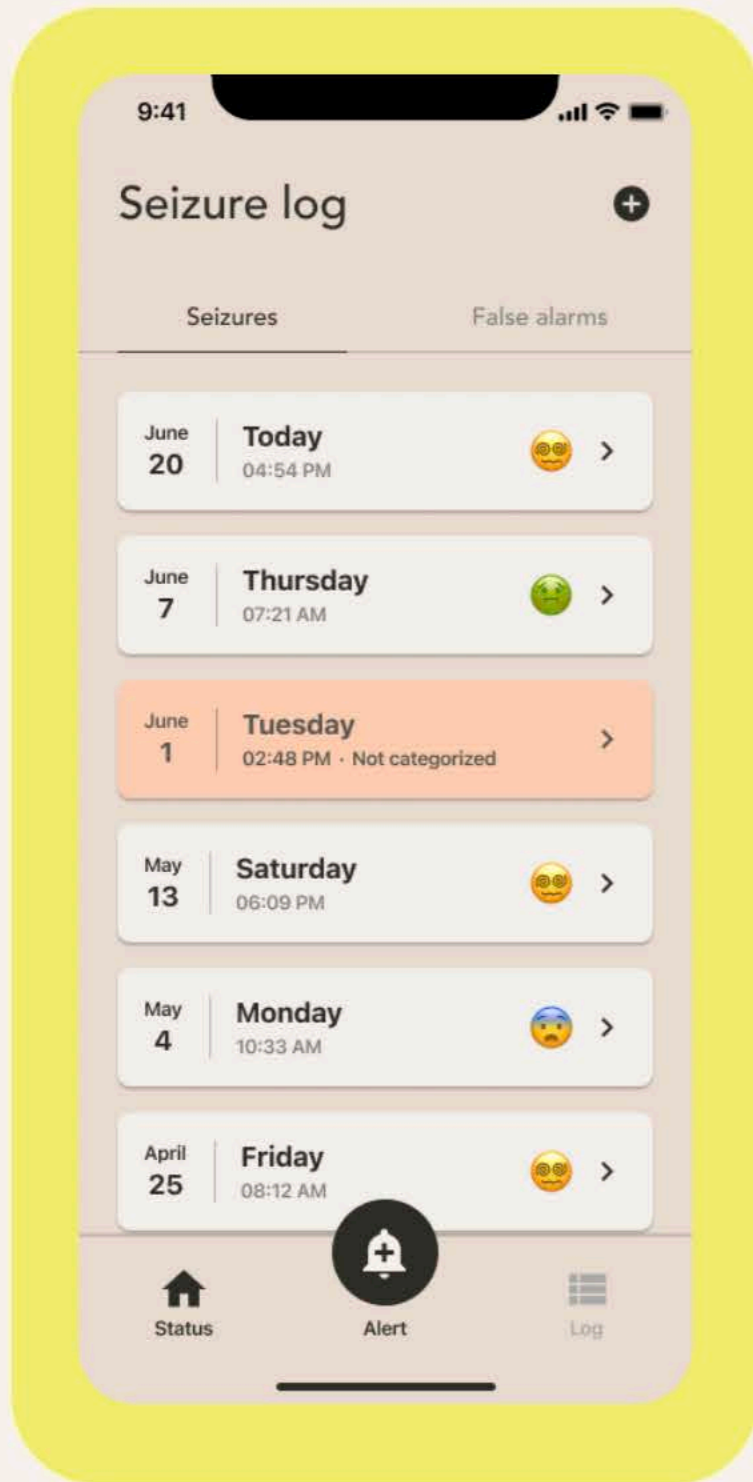

Mellow works continuously in the background 🧑‍💻

- ✓ Detects seizure-like activity
- ✓ Alerts sent automatically
- ✓ Bystanders informed on correct seizure handling
- ✓ Customizable emergency call

[Tell me more](#)

# Say hello to your digital epilepsy companion 🙋

Mellow gets smarter with every seizure 🧐

- ✓ Automatic seizure log (day, time, duration and more)
- ✓ Effortlessly share diary with health providers
- ✓ False alarms tracked so our algorithm continuously improves

Let's do this

Available on the Apple Watch

*"It was great to share my experience with epilepsy knowing my insights would help build a product that could help millions. I know this app will make a big difference to my life!"*

Hannah, 34

*"I'd come across seizure detection devices before but they didn't fit into my lifestyle or offer the features I wanted. I can't wait to use Mellow's app"*

Peter, 27
