INTRODUCING "THE BIKE FISHERMAN"

**Bike Fisherman**

Slotted entry points keep poles from twisting or turning so the reels don't interfere with your wheel or spokes.

Molded from an extremely durable, U/V resistant ABS Polymer with no moving parts that can wear out or rust.

Holds two spinning rods which gives you a choice of setups and a backup if something should malfunction.

A commercial grade 1/8" thick Neoprene Strap ensures that the rods remain tightly mounted in the holder.

*Designed and  
Manufactured in the  
U.S.A*
