Launch is a financial planning and investment management offered by Almega Wealth Management to those who are starting out. Almega Wealth Management is a fee-only Registered Investment Advisor. Advisory services are only offered to clients or prospective clients where Almega Wealth Management and its representatives are properly licensed or exempt from licensure. This website is solely for informational purposes. Past performance is no guarantee of future returns. Investing involves risk and possible loss of principal capital. No advice may be rendered by Almega Wealth Management unless a client service agreement is in place. For more information about our wealth management offering please visit Almega-Wealth.com
