Wide-range of competency testing exams

Our mobile-friendly software lets your candidates complete competency exams, skills checklists, and annual mandatories from home, work, or anywhere in between. We're combining frequency and competency into one

framework which allows checklists to be completed in 50% less time than traditional checklists.

More than an app

Universal Compliance

Our exams are created by subject

<https://www.unahealth.co/health-care-organizations/>

Web Responsive

Easy Credential Sharing

Our exams are curated by subject matter experts, meet the Joint Commission standards for competency evaluation, & can be accessed from anywhere (which means no more PDF downloads!)

All functionality works great on any mobile, tablet or desktop experience. You can access UNA from the gym, in the car, or even in the produce aisle.

UNA Wallet allows 24/7 access and sharing of your credentials and documents; all in-platform. Gone are the days of endless email chains and paper trails.

The UNA Ecosystem

(<https://www.unahealth.co/una-wallet/>)

UNA Wallet is as flexible as your candidates. Our mobile technology keeps track of their licenses, documents, and certifications so you don't have to.

(<https://www.unahealth.co/una-test/>)

Our tests provide high-fidelity patient care scenarios that parallel actual job experiences, more than simple recall of basic information, and best of all - we provide immediate results.

(<https://www.unahealth.co/una-fast/>)

A recruiter's best friend - The quickest way to move your candidates from application to actually being hired with the click of a button.

Seamless Integration

Wondering how UNA pairs with your current Applicant Tracking System (ATS)? An UNA widget or a full API integration with your ATS is available, that allows you to spend more time recruiting healthcare candidates, than clicking and operating between multiple software applications.

Cut the onboarding process in half today!

Schedule a demo to learn about how quickly you can integrate with UNA, recruit top talent, and get staffed fast.
