The package says total sugar 0g, walmart app says 1g sugar, but it tastes way too sweet like it's 5g or more. For me who trying to cut the sugar it's very upsetting and disappointing!

Keto Matcha Green Tea
I am so addicted to this green tea!!! This keeps me alert and active all day, it has a great taste and is priced very affordably when purchased at Walmart. I haven't had coffee since I discovered this product. My only withdrawl is when they run out and I can't find it at other stores. I now know to tell the Walmart associates to order some more and let me know when the truck arrives :). Such a wonderful product!!
