Description Reviews (0)

CROWN Medical tape is made of non-woven fabric substrate and is soft and breathable. Adhesive tape is strong and not easy to fall off. A box of 10 rolls, 3cm wide,

5m long, very durable, compact and lightweight, easy to carry, easy to use. Storage conditions of medical tape: away from light, sealed, room temperature dry

storage. Contraindications and precautions: Use with caution when allergic, do not contact the wound directly.

It is skin-friendly and hyposensitive, suitable for most people to use, it is easy to tear off with hand, there is a slight sense of pain, it is not easy to leave traces when torn off, to meet your daily use.

Medical tape is a kind of multi-purpose, suitable for fixing gauze pieces, fixed infusion tubes, first aid dressing, anti-wear foot paste, etc., convenient life, family spare, and so on.
