Description **Reviews (0)**

These toys tools are made of environmentally friendly ABS materials. They have no peculiar smell, and the corners are polished smooth and round. They are very safe and can be trusted to let children play.

The 14 piece set includes hammer, wrench, knife, screw, screwdriver, nut, etc. Each tool is carefully designed, very realistic, so that children's experience is more real.

These brightly colored toy tools are very attractive, educational and interesting for children. They can cultivate children's practical ability and imagination, from childhood.

With these toys tools, parent can play with children and accompany them to spend happy leisure time.

WARNING: This toy contains small parts, which may cause suffocation, and is not suitable for children under 3 years old. Children please play under adult supervision.
