

Services at DirectXpress

Explore How Our Omnichannel Solutions Could Better Serve Your Needs

LAST-MILE DELIVERY

Satisfaction Guaranteed

We want all of our customers to experience an impressive level of professionalism when working with DirectXpress. We offer Same-Day delivery for all local packages and Next-day delivery for all parcels. We are also committed to providing the highest quality of customer service.

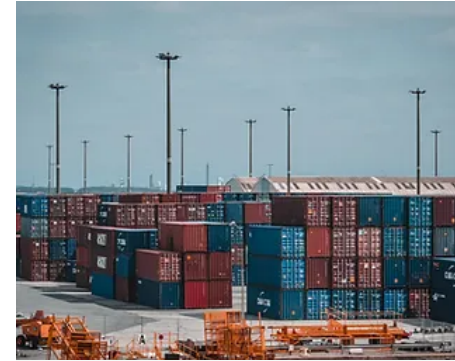

WAREHOUSE SERVICE

Exceptional Service

Our warehouse management solution offers site management, storage system solution, implementation, equipment, and visibility tools to help improve efficiency.

We ensure all details are simple, seamless, and handled promptly. Whenever you work with DirectXpress, you can trust that you're in great hands.

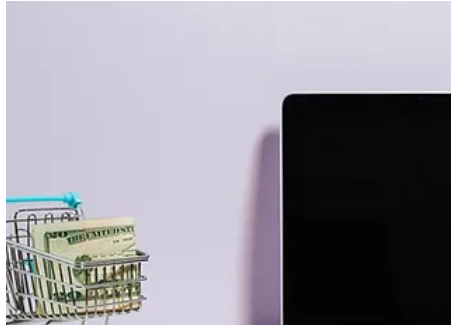

PORT LOGISTICS SERVICE

Quality Assured

We are partnering solely with drayage providers, and we work with a lot of Asset-based versus & non-asset-based providers. Our 3PL providers could also help with avoiding detention and demurrage charges.

We also provide Transloading services in order to ensure your product is now staged for fast delivery. And get your imported goods on the move rather than sitting in a warehouse.

E-COMMERCE FULFILLMENT

Maximize Quality, Efficiency, Accuracy.

We provide E-commerce fulfillment capabilities with 2-days delivery to 70% of the U.S. through our warehouse network across the country.

DirectXpress also offers an All-in-one technology that ensures seamless API and ERP integration.

Our fulfillment logistics and procurement power deliver high-quality customer service and control to better assist every E-commerce

INTERNATIONAL FREIGHT SERVICE

Stand out on Ocean, Air and Land.

We help customers with Lead the way with an agile supply chain—across air, ocean, and land.

From FCL, LCL, Airfreight strategy, and more solutions with our premium services, we balance speed and cost to meet your needs.

Our technology would help Easy tracking during the smooth process.

MANUFACTURE CONSULTATION

Essential to success on many occasions

Through the precise control of the logistics market, we also have experience in the market of different categories of products. As part of the value-added services, we provide manufacturing consulting services. We help with evaluating the brand's marketing efforts; product ordering plan, devising, planning, implementing logistics strategies, and

brand.
