Description Reviews

Brand: Sleep Aid

First Date Available: 12-26-2022

Shop and Booth Rental Platform Service

Provide online communication, online viewing of stores, price display and other services.

Online Appointment

The dedicated service personnel will introduce the stalls and shops to you.

Shop Visit

Provide online 360°three-dimensional viewing store mode.

Price Quoting

Provide different price shops for customers to choose from.

Site Selection Suggestions

Recommend suitable store address according to customer's products.

We have many years of experience in leasing commercial stalls and recommend the most suitable stalls for you.

We will provide you with professional services throughout the process, please contact us for details.

Offline Service

After the lease plan is determined online, the lease is finalized offline.

Contract Signing

The contract contains the lease time, lease amount, etc.

Property Management

There are dedicated property management personnel to help you solve the daily problems of the store.

Renewal Service

When the shop or booth expires, the commissioner will provide you with renewal service.
