Spring and Fall Season

We are excited to see our new & returning players continue to be a part of the largest FALL and Spring girls lacrosse program in Southern California! Fall registration is now open. Please register ASAP using the "Register Now" link above. Each year we fill up earlier and earlier. While we work hard to increase our capacity, we are also committed to not having rosters that are so big that your daughter spends more time on the sidelines than on the field.

We're still growing!

STORM is committed to offering high level training with coaches who are focused on developing the entire athlete. Skilled players will get a fast-paced competitive experience with lots of touches, and newer players will get the skill-training and knowledge to have fun and evolve their games.

STORM has established itself as the premier development program in Southern California!

North Coast STORM was started by Dann and Suzanne Campaigne with a single Carlsbad team. Today, the program has evolved into North County's largest and fastest growing program, including kids throughout North County San Diego.

From the beginning, our mission has been to empower youth to succeed. Our goals? Top-tier skills, and the confidence and personal strength to be successful anywhere.

"My 9th grade daughter at LCC starting playing lacrosse this year for the first time in your fall league. Other than a summer camp, she had no experience. Your coaches were so nice and the season was fun and low key. She made the JV lacrosse team and is really happy to be part of the program. Thank you for offering this league to high schoolers!"

- Christina Warmerdam, Parent

"An amazing experience for our daughter."

The STORM lacrosse program has been an amazing experience for our daughter new to the sport, so we had no idea if she would stick with it. She is now in love and coaching. She will start her high school lacrosse career this Spring as a goalie, game strategy knowledge, and team play experience to help her prepare for the
