★★★★☆ Smokes like a cigarette

This is really a good review for the product because it is exactly like smoking, but has a different flavour. You do carry the smell.

Has a strange lingering odor but does dissipate and doesn't smell like weed. However the paper burns too fast and doesn't burn equally.

But.. they def hep w a stressful moment whete this rx-smoker feels a need to light up. Yes, they smell bad & taste bad, but.. they def do the trick for an urge to light up. I had one of those days & took a week to finish these off! (To my surprise!)

I cldnt taste/smel any chocolate,

but,

they did what they were supposed to do.. satisfy an urge.

Bought these for my bf as a aid to stop smoking. Unfortunately I didn't know he only smokes menthols, so looks like I'll be smoking these. I don't smoke cigarettes.
