Description Reviews (0)

DEPONE wigs are soft and smooth, tough and not easy to break and tangle. It can be washed by hand in cold water without fading. It is very easy to maintain and durable to use.

The matte wigs looks more natural. With the perfect fluffy and curly degree, this wig can easily blend with your own hair and instantly add elegant and charming charm to you.

This wig is made of high-quality synthetic fiber, and the total amount is very light. It is convenient to carry and use when going out. Even if it is worn for a long time, you will not feel tired.

The clip on the top of the wig is very strong, no matter how you swing it, it is not easy to loosen or fall, and it is very suitable for various performances, role plays, parties, proms and other occasions.

This wigs are suitable for people of all ages. It only takes a few seconds to increase your hair volume and length. It is easy to operate, very easy to wear, and friendly to novices.
