GOLONEE wig is made of 100% high quality synthetic fiber, with natural luster, soft feel and tenacity. It has excellent heat resistance and can withstand 160 °C high temperature.

The top of the wig is built with a molding ring. After wearing, press the root of the wigs to make the wig connect with the scalp more closely and look more natural.

With this wig, you can say goodbye to the flat hair style from now on. The hair volume has increased sharply, and the short hair has been lengthened. A must-have styling piece for fashion people.

The high-quality plastic clip has uniform stress, does not hurt the scalp, is comfortable to wear, and is very firm to wear, is not easy to fall off, and can be used for a long time.

This wig can quickly help you create a perfect shape. It can be used in any occasion, such as everyday, concert, Halloween, party, cosplay, wedding, dating, etc.
