#### Not-Free

★☆☆☆☆

Not as 'Free' as they advertise. As soon as you need the advertised features, it brings you to a paywall. The 9th circle is reserved for devs like this.

Hello. Users without payment still can use the basic editing tools if you prefer to use it for free. If you need more premium features, it requires an upgrade. We offer free trials to new users. You can cancel it before the trial ends. Then you won't be charged. If you still have questions, please feel free to let us know. We'd be happy to assist you. Thank you.

#### false advertising. NOT free!

★☆☆☆☆

It says its free but is straight out lying, nothing on it is free, you don't get any abilities on the free version, please don't put free app!
