BUY IT NOW

Professional razor: This razor knife blade head is made of ultra -thin alloy material. The shaver is more sharp and safer.

Quick charging and portable: This wireless electric face shaver is small and lightweight, with built -in high -capacity lithium batteries. After 2 hours of full charging, it supports 90 minutes of shaving, can be charged once multiple times, and the length of the battery life makes you more convenient. Whether you are at home or traveling, you can scrape them at any time.

Waterproof and wet shaver: The entire men's close -up shaver can be washed. Electric shaver will provide us with a comfortable experience. No longer worry about using it in the bathroom, electric shaver can effectively complete the trimming task.
