Comfortable Heating Massage: Eye massager provide a comfortable temperature between 104 and 107 degrees Fahrenheit(40°C-42°C), better for relaxing eye puffiness, dry eyes, etc. A hot compress can regulate the metabolism of the eyes, more effectively improve symptoms such as dry eyes, and reduce dark circles.

Reduce Eye Strain & Improve Sleeping: Our eye machine adopts oscillating pressure and rhythmic percussion massaging, it can make the skin around the eyes more shiny and elastic. Eye heating Massager with Bluetooth music can play a good sedative effect. Wear it for 15 minutes before going to bed every night, you will be totally relaxed and enjoy a better sweet dream.

Adjustable Design:The headband can be easily adjusted in size and suitable for all teenagers and adults. Note: If you feel too tight or too loose, please adjust your headband to find the right size.

We hope you try and love our risk-free products! If you don't like this product, please email us within 90 days and we'll refund every penny of your purchase.
