

Educational Advocacy and Consulting

We advocate for you • We empower you • We serve you

About Our Mission

Archimedes Educational Services provides a voice for students and families that do not feel heard by their educational institution. Educational Advocacy and Consulting services are tailored to the needs of each student, and are provided by an experienced Advocate and certified Educator.

We also recognize the need to partner with educational and medical, government and community to increase positive communication and understanding of each student's individual needs.

Meet Our Founder

Anne K. Bryant, M.Ed.

Anne Bryant has been a professional Education Advocate, and Consultant since 2009. Anne was inspired to create Archimedes Educational Services after recognizing the need. Anne believes in maintaining a positive mindset, creating partnerships with a purpose, and always striving for positive outcomes. Anne should expect a collaboration with transparency and consistency.
